AGREEMENT

Agreement made and entered into this _____, by and between the CITY OF WARWICK hereinafter referred to as the City, and WARWICK LODGE NO. 7, the FRATERNAL ORDER OF POLICE, hereinafter referred to as the Lodge , as follows:

RECOGNITION

- A) The City recognizes the Lodge , as the sole and exclusive bargaining agent for all the permanent and probationary members of the City of Warwick Police Department excluding the Chief and Deputy Chief, hereinafter referred to as the Department, for the purpose of collective bargaining as to wages, rates of pay, hours, working conditions, and all other terms and conditions of employment. The rights of the City and the members of the Department shall be respected; and the provisions of this Agree-ment shall be observed for the orderly settlement of all ques-tions.
- B) The City, and the Board of Public Safety of the City shall retain the right to issue rules and regulations governing the internal conduct of the Department, as provided by law; and further shall at all times retain the right to manage and direct the operations of the Department, including, and without limiting the generality of the foregoing, the right to make such assignments and transfers of personnel as may be deemed by the City and the Board of Public Safety of the City in the best interest of the administration of the Department. However, nothing contained in the within Section, subparagraph (B), shall contravene, or derogate from, any of the provisions of the within Agreement.

SENIORITY CLAUSE

I. SECTION 1.

- A) Seniority of the members of the Department shall be computed according to continuous service in each rank, except for Patrolmen/Patrolwomen, where seniority shall be computed accord-ing to continuous service from the date said member is sworn in as a Police Officer for the City, provided, however, as to any member whose employment is interrupted for active service in the armed forces of the United States, such service shall be consid-ered as part of said member's continuous service provided further that such service shall be as continuous service if such member reenlists or continues his/her military service after the time of his/her original service.

In computing seniority the same shall be based upon the member's length of employ as a Patrol-man/Patrolwoman. In those cases where one or more members are appointed to duty on the same date then seniority among said members shall be determined by the highest score using the criteria of the training academy. Seniority shall be broken when a member of the bargaining unit is dismissed for proper cause, or when all proper appeals are exhausted, or when he/she voluntarily terminates his/her employ-ment.

- B) Seniority lists of various positions of the Department shall be posted periodically by the Department.
- C) In the event it becomes necessary for the City to lay off members of the bargaining unit those members with the least amount of seniority shall be laid off first. For the purpose of computing seniority for the subsection, it shall be based solely upon the length of employment as a police officer without regard to the member's rank, position or the fact that the member has received a salary, or any part thereof under any federal or state program. Prior service with the City in some other department shall not be considered in determining the member's seniority within the Police Department.

The provisions of Section 1 (A), (B) and (C) shall not have any retroactive effect.

- D) Any member of the Department assigned to the Uniform Division will have the right to select his/her beat(s) based on his/her seniority . For the purpose of beat selection, beats shall be understood to include any normal beat assignments or spare assignments that will be filled by an officer. No officer may select the same beat more than two (2) consecutive times. For the purpose of this section, the Post of Dispatcher will not be considered a beat assignment. In the event of a transfer to another platoon between the time of beat selection, the Adminis-tration of the Department will assign the transferred officer(s) to a vacant beat. The

bidding process will occur every six (6) to twelve (12) months, as determined by the Administration of the Department; provided that the Chief shall be allowed discretion as to trial periods and whether to follow seniority, upon written advice as to why seniority is not being followed.

If the Chief does not follow seniority, he/she shall submit his/her written reason or reasons for the disqualification to the officer in question which action shall be reviewable through the grievance procedure. All Bids shall be published and/or posted for two (2) days. Personnel interested in a vacant position will submit in writing their application for said vacant position to the Chief in four (4) days from the last day the bid was published or posted.

A special notice will be sent to members on sick leave and/or on vacation at the time the bid was published or posted.

- F. Any member of the Department who retires, or resigns, during any calendar year prior to his/her vacation period shall be entitled to vacation pay in accordance with the above schedule.
- G. In recognition of the fact that unusual or emergency situations may arise which may leave the Department short-handed during vacation periods, the City and the Lodge agree that the Chief shall have the right under such circumstances and emergencies to cancel a Police Officer's vacation; but the Chief shall reschedule such vacation at a time agreeable to the Police Officer involved. In the event that the Department is short-handed as a result of a promotion or transfer, the Chief shall make reasonable efforts to avoid canceling an officer's vacation. In the event a vacation must be cancelled as a result of such a transfer, where more than one officer has scheduled vacation for the same time, the least senior vacation pick shall be the one cancelled.

This accumulation must be reduced to forty (40) vacation days by December 31 of that year or all vacation days in excess of forty (40) will be forfeited without compensation. Those officers working the five (5) on and two (2) off work week will also be awarded an additional sixteen (16) "Kelly" days to make up for the extra days worked. Any work performed for the City in excess of eight (8) hours per day or four (4) consecutive days for a four (4) day work week, or in excess of eight (8) hours per day or five (5) consec-utive days for a five (5) day work week shall be paid at the overtime rate as hereinafter set forth. This section does not apply to special details .

B. Members of the Department shall be compensated for overtime work in monies at the rate of time and one/half per hour. Accrued overtime compensation shall be paid to each member on a weekly basis. After the first fifteen (15) minutes of overtime duty, each member of the Depart-ment shall be compensated for one/half (1/2) hour of overtime. For the overtime hour, any time worked over thirty (30) minutes in any hour shall be compensated as one (1) full hour of over-time. The officer in charge of each platoon and/or division, shall be responsible for recording and verifying all overtime worked by members of their respective platoon/division, and forwarding same to payroll.

The individual officer at his/her discretion may elect to take compensatory time, computed at the rate of time and one/half, in lieu of overtime in monies. However, no Officer shall be permitted to accumulate more than one hundred (100) hours of compensatory time. Upon reaching the maximum of one hundred (100) hours compensatory time owed to the officer, the officer must and will receive time and one/half in monies for each period of overtime thereafter. Effective July 1, 2003, any officer with more than 100 hours of compensatory time then on the books shall be compensated by the City for said excess hours at payment of time and one/half, with said payment from the City to be tendered no later than December 31, 2003.

C. Members of the Department called back to duty shall be compensated at the rate of time and one/half per hour with the four (4) hour minimum in effect; provided, however, that such men called back within the four (4) hours prior to their regular roll call shall be compensated at the call back rate only until such regular duty commences. The officer in charge of each platoon or division, during which said overtime is worked, shall be respon-sible for recording all call back time, and forwarding same to the Chief.

D. The overtime and call back pay shall be paid biweekly.

E. The provisions of Section 5 as they pertain to overtime and compensatory pay shall not apply to Majors, provided however, the Chief of Police may provide the Majors with overtime pay or compensatory time off at his/her sole discretion.

F. As of July 1, 1982, all compensatory time shall be based upon the salary of the officer when the compensatory time is earned.

G. All Officers will be recognized for the exemplary use of sick time in the following manner:

H. Members of the Department shall receive compensatory time for deliberations and hearings only, while serving on a Warwick Police Department Bill of Rights hearing for time outside of the officers' regularly scheduled hours. Also, officers shall be excused from duty for deliberations and hearings for Bill of Rights hearings outside of the City as long as this does not cause the call back or use of other officers at overtime rates of pay.

VI. SECTION 6.

A. All members of the Department shall receive time and one/half in money for all hours worked including off duty Court interview and Court attendance in excess of their scheduled work week. If the Court appearance requires less than four (4) hours, the officer must contact the Officer-In-Charge for assignment, and the Officer-In-Charge must assign the officer to an assignment for the duration of the four (4) hours. Officers who return to work for the duration of four (4) hours will not be required to put on their regular uniforms but may wear the civilian clothes worn to court (if applicable). The four (4) hours of work shall begin when an officer reports to the police station to pick up evidence, when officers are so required. Otherwise, the four (4) hours shall begin at the appointed time for the beginning of court. The officer may, at his/her option, elect to take the greater of two (2) hours pay or the actual time spent in Court in lieu of four (4) hours of assigned work.

Notwithstanding the foregoing, if the officer appears as a defendant or respondent with regard to a matter for which he/she has accepted discipline, he/she shall not be paid for his/her appearance. In addition, if disciplinary charges are pending against an officer for

a matter in which he or she appeared as a defendant or respondent, he or she shall not be paid for said appearance, provided however, if said officer is subsequently exonerated, said officer shall be paid for said appearance as provided above in this Section 6(B). If disciplinary charges are subsequently brought against an officer for a matter in which he/she appeared as a defendant or respondent, and for which appearance he or she was paid, the board hearing said charges shall be informed that the member was paid for his/her appearance and that if the officer is found guilty of disciplinary charges, the board may consider the money which the City has lost as a result of said payment in structuring the sentence imposed upon the officer. Also, with the exception that a member may volunteer to appear before the Board of Public Safety without compensation.

C. Retirees of the Department shall receive time and one-half of the pay of the rank they had attained just prior to retirement for actual time spent as a witness at court relating to the retiree's duties while an active member of the Department.

D. No member of the Department shall be required to appear in uniform before a Grand Jury, or hearings before District, Family or Superior Courts, unless upon a charge of assault upon a uniformed Police Officer; but such members of the Department shall be required to appear in uniform at any trial by jury.

E. No member of the Department, for the purpose of court appearances, shall have his/her normal work hours altered, changed or rescheduled for appearances, unless those appearances run more than two (2) working days consecutively in any calendar month. After an officer appears in court for two (2) consecutive days during any calendar month, the Administration may alter or shift his/her schedule to suit its needs, as in the case of lengthy trials.

In accordance therewith, the Chief of Police and/or his designee and the President of the FOP and/or his designee shall meet at least one (1) time per year, at a mutually agreeable time, in order to discuss and attempt to set adequate patrol officer and sergeant minimum manning levels for application in the Uniform Division during that year.

PENSION II

XXVIX SECTION 29.

A. The pension payments shall be in accordance with the provisions of Section 10, of the Agreement which was effective for the period of one (1) year from February 1, 1971, to January 31, 1972, and entered into by and between the City and the Lodge January 18, 1971.

PENSION II CREDITS, VESTING , AND ADMINISTRATION

XXX SECTION 30.

A. Applicability.

The so-called "Revised Pension Fund for Police Officers of the City of Warwick" (i.e. Police Pension Fund II) applies to all members of the Warwick Poice Department hired on or after February 1, 1971.

B. Vesting and Eligibility for Pensions.

Upon the completion of ten (10) years of service with the City's Police Department, members of the Police Department shall become vested in their right to receive a service pension from the Police Pension II Fund. Therefore, any member of the Department who retires with the (10) or more years of service with the Police Department shall be entitled to retire and receive (when eligible, as set forth herein) a service pension from the Police Pension II Fund at the applicable service pension accrual rates set forth in Subsection (C) below. Any member who retires with less than ten (10) years of service shall not receive a service pension from the Police Pension II Fund, but shall receive his/her pension contributions back, without interest.

Any member of the Police Department who retires with at least twenty (20) years of service shall be entitled to retire and begin receiving his/her pension immediately upon such retirement. Should any vested member of the Police Department retire with less than twenty (20) years of service the payment of his/her service pension benefits from the Police Pension II Fund shall commence only after the date on which said member would have completed twenty (20) years of service had the employee continued as a member of the Department notwithstanding the age of the retired member.

Unless otherwise stated, for purposes of the pension eligibility provisions and pension accrual rates set forth in this Section 30, "years of service" shall include any eligible "buy back" years established in this Agreement or in any City ordinance, resolution, or other law (i.e. Military Duty buy back years of

service); provided, however, no member shall be permitted to buy back any years of service until he/she has been employed for twenty (20) years.

C. Pension Accrual Rates

The amount of pension benefits payable upon a member's receipt of a service pension shall be based upon a designated percentage (see the pension percentages set forth below) of the amount or retirement-eligible pay received by the retiring member in his/her last full year of service. Retirement-eligible pay shall include the following: base salary, longevity pay, and Holiday pay. The designated percentage utilized to calculate a retiring member's service pension benefits shall be based upon the retiring member's years of service, as follows:

<u>Completed Years of Service</u>	<u>Designated Percentage</u>
10 years	25.0%
11 years	27.5%
12 years	30.0%
13 years	32.5%
14 years	35.0%
15 years	37.5%
16 years	40.0%
17 years	42.5%
18 years	45.0%
19 years	47.5%
20 years	50.0%
21 years	52.0%
22 years	54.0%
23 years	56.0%
24 years	58.0%
25 years	60.0%
26 years	63.0%
27 years	66.0%
28 years	69.0%
29 years	72.0%
30 years	75.0%

The aforementioned pension accrual rate schedule provides for annual incremental increases of two (2%) per year between the 20th and 25th years, and for annual incremental increases of three (3%) per year between the 26th and 30th years. Therefore, should any member who has accrued *more than* twenty years of service, desire to retire after the completion of at least six (6) months in any year of service, he/she may so retire and receive one half ($\frac{1}{2}$) of the percent incremental increase for that year (i.e. a member who retires between his/her 22nd (54)% and 23rd (56%) year of service at least six (6) months into said year may retire and receive a service pension based upon a 55% pension accrual rate.

D. Cost of Living Adjustments (COLAs)

All eligible members who retire and begin receiving a pension shall receive a three (3%) compounded cost of living adjustment (COLA) upon all annual pension benefit amounts received.

E. The City agrees that any and all funds of the "Revised Pension Fund for Police Officers of the City of Warwick" shall be kept separate and apart from all other monies in the Finance Director's care.

- F. Officers will be provided with information regarding their pensions on an annual basis.
- G. Members who retire with less than twenty (20) years of service shall not receive paid retiree medical or dental health insurance coverage and/or any other retiree benefits; and shall receive no escalation of pension benefits if and when any such increases are granted to active and/or retired members of the Police Pension II Fund.
- H. A copy of the actuarial study and report for the Police Pension II Fund shall be provided to the FOP.
- I. Military Duty Time Buy-Back

XXXI SECTION 31.

- A. The Department shall purchase a bullet proof vest for any member of the Department that so requests. Each vest shall be individually chosen by the Officer and the Department shall be required to provide a monetary amount to cover the purchase equivalent to the average cost of the top three (3) brands of a level 2A bullet proof vest. Any excess over this average cost must be paid by the individual officer requesting the vest. Each vest purchased shall be replaced at the Department's expense upon reaching its maximum life as suggested by the manufacturer, subject to the Officer submitting a request for replacement. The replacement cost shall not exceed the amount the Department would pay were the Officer to be selecting his/her first bullet proof vest.
- B. Any vest purchased under this Section of the Agreement shall be considered issued equipment, and all officers who receive said Department-issued bullet proof vests shall be required to keep said vests readily accessible while on active duty. Failure to keep said vests readily accessible on active duty may result in disciplinary action. For the purposes of this paragraph, the phrase "on active duty" does not include special detail assignments. The Department strongly suggests that officers wear the Department-issued bullet proof vests at all times while on active duty and while working special detail assignments.
- C. Notwithstanding Subsection (B) above, all officers who have received a Department-issued bullet proof vest shall be required to wear said vest at all times during any "high-risk operation". For purposes of this Subsection (C), the term "high risk operation" shall mean any situation in which the officer reasonably anticipates the use of force and/or danger of imminent harm to himself/herself or to other officers. Furthermore, the officer in charge of any departmental preplanned tactical operation may mandate that all officers who have received a Department-issued bullet proof vest must wear said vests throughout the operation.

PHYSICAL FITNESS STANDARDS

XXXII SECTION 32.

- A. All members of the Department are encouraged to keep themselves in the best physical shape

possible consistent with their age and possible medical considerations. To encourage physical fitness, the Department will administer a non-mandatory physical fitness examination that will be administered by authorized physical fitness instructors who are certified by the Cooper Institute for Aerobic Research (or its equivalent), under the direction of the Chief of Police. Said voluntary physical fitness examination shall be conducted on an annual basis during the months of September or October.

In following with this procedure, any member of the Department may, voluntarily, elect to take the physical fitness examinations and attempt to meet certain physical fitness assessment standards. Furthermore, those members who satisfy certain levels of the standards shall receive the compensation set forth below. The physical fitness assessments standards shall be based upon those established by the Cooper Institute for Aerobic Research (or its equivalent).

- B. Successful completion of the fiftieth (50th) percentile shall be compensated with ten (10) hours of compensatory time.
- C. Successful completion of the sixtieth (60th) percentile shall be compensated with twelve (12) hours of compensatory time.
- D. Successful completion of the seventieth (70th) percentile shall be compensated with eight (16) hours of compensatory time

Any compensatory time awarded under this Section shall be in addition to, and thus shall not be limited by the one hundred (100) hour limitation set forth in Section 5, Subsection (B) with respect to Compensatory Time.

B. No officer shall be subject to discipline for failure to meet the target scores.

C. Any member wishing to take the physical fitness examination who has a known medical problem that may put that member at medical risk in taking the test must receive written permission from his/her physician in order to take said examination.

LENGTH OF AGREEMENT

This Agreement shall be for a term beginning July 1, 2003, and ending June 30, 2006.
